The Youth of Mount Olive will be adopting 12 seniors this year from Anoka County. Our commitment is to purchase a Christmas gift for a senior that other wise would not receive one.

Please bring \$5.00 on Wednesday November 30 to help support this great cause. We will be shopping at nearby stores and may need more adult help for transportation. Let me know if you can help!

Christmas Youth Bake Sale

December 17 and 18

Bring your home made goodies and crafts to church by 4:30pm on Saturday

*Package your items in clear packages so customers can see what it is.

*Make your "packages" neat, tidy, pretty.

*Please price your items and include seller's initials so we can be sure proper credit is issued.

*Parents and youth please sign up to help with a shift.

Elder Visit

Our first Elder Visit will be on Wednesday December 7. The elders will be meeting with all the 5th through 8th graders and their parents so they may need to schedule your visit before normal class time. If that is not possible for your family, please let me know and we can make sure to schedule your visit at a more convenient time. I will send out an email with your specific time.

What a great way for the elders and families of Mount Olive to build relationships in Christ!
