**Parental/Adult Involvement:** As the primary teacher of the faith, you play a significant role in the faith formation of your child(ren). We recognize this vital part and provide opportunities for parents/adults to become and remain actively engaged. We provide support, training and encouragement to you as we *partner* with you to help give your child the best faith education. We have a variety of opportunities and times available from Sunday mornings, Wednesday evenings and fun events. We also ask that each family volunteer for at least one three week session of Sunday School as an adult helper. There is no advanced preparation needed, and is a great chance to get to know other families at Mount Olive.

God's Blessings on this new school year!
