

Demonstrate My Passion Evaluation

Check those that describe how you demonstrate passion. After checking the ones that apply, narrow them down to your top three and place them at the bottom of the page. Transfer your top three passion demonstration areas to the Finding Your PLACE Profile.

_____ **Challenging** - I am passionate about situations that require new thoughts and ideas that haven't been implemented.

_____ **Defending** - I am passionate about standing up for what is right and opposing wrong even in the face of opposition.

_____ **Delegating** - I am passionate about empowering others to complete tasks.

_____ **Developing/Creating** - I am passionate about making something that is not in existence.

_____ **Improving** - I am passionate about taking something/someone that has been created and making it/them better and more efficient.

_____ **Influencing** - I am passionate when it is apparent I have influenced others in their way of thinking and/or acting.

_____ **Leading** - I am passionate about leading a group to move into a certain direction. I enjoy determining how and what things will be done.

_____ **Managing** - I am passionate about maintaining something that is operating efficiently.

_____ **Organizing** - I am passionate about organizing resources into a systematic structure.

_____ **Perfecting** - I am passionate about doing things in an excellent manner.

_____ **Performing** - I am passionate about being in front of people with their undivided attention on me.

_____ **Pioneering** - I am passionate about launching new concepts that have not been tested and tried in any setting. I am not discouraged by failure.

_____ **Repairing** - I am passionate about fixing what is broken (this could include the lives of people).

_____ **Serving** - I am passionate about helping others succeed.

_____ **Socializing** - I am passionate about providing and planning opportunities for individuals and/or groups to get together for a common purpose.

_____ **Teaching** - I am passionate about teaching others how to understand or perform a task that they previously did not know how to understand or do.

The words that describe how I demonstrate my passion from the list above are:
